

## OUR MOST FUEL-EFFICIENT DRIVE TIRE—EVER

The BluEarth® 709L is the first commercial tire introduced within our prestigious BluEarth series, meeting our strict criteria for maximum fuel-efficiency and performance. With outstanding tread life and a highly durable casing, the BluEarth 709L will provide extraordinary service for your fleet.

### OUTSTANDING FUEL ECONOMY

A unique combination of tread design and superior compound give the BluEarth 709L extremely low rolling resistance to enhance your fleet's efficiency.

#### Advanced Compound

Is resistant to heat buildup for improved wear resistance and exceptional fuel-efficiency.

### SUPERIOR TRACTION

A unique combination of tread features give the new BluEarth 709L outstanding traction.

#### Unique Directional Tread Pattern

Offers exceptional traction, especially in wet or snowy conditions, without sacrificing rolling-resistance.

#### Z-Block Design

Creates multiple biting edges for outstanding grip during acceleration, and unique **Tie-Bar Connectors** increase block rigidity to reduce heel-toe wear.

#### Seven Circumferential Grooves

Efficiently evacuate water from beneath the tread to maximize contact with the road.

### EXTENDED SERVICE LIFE

The BluEarth 709L is built to provide years of service and is covered by a 6-year, three retread warranty.

#### Zero-Degree Belt

Is the key component to our highly durable and retreadable casing, creating a consistently stable footprint for long, even wear.

#### Special Funnel-Shaped Grooves

Prevent stones and other debris from reaching the bottom of the groove where casing damage can occur.

#### 24/32" Original Tread Depth

Lowers tread block movement for greater stability and improved fuel-efficiency.

### IT'S IN OUR DNA.

Our innovative business philosophy, SmartSolution®, is our commitment to meeting the most essential demands of today's fleets: Longevity, Efficiency, Availability and Dependability.

The BluEarth brand is reserved for Yokohama's most environmentally-friendly tires engineered with advanced technologies focused on fuel-efficiency and performance.

### SmartWay® Verified

The BluEarth 709L is one of many Yokohama tires designed to meet SmartWay's stringent low rolling resistance criteria.

## THE YOKOHAMA DIFFERENCE

When you do business with us, you get more than just a world-class tire engineered by some of the industry's best. You also get a partner committed to delivering efficient products and solutions to help your business run more smoothly and profitably. Our industry-leading support network truly makes Yokohama the SmartSolution.

### SMARTSOLUTION CERTIFIED NETWORK

Each of the dealers that make up our expansive nationwide service network is selected and certified to ensure they're ready to provide the solutions you need, fast.

### YOKOHAMA EMERGENCY SERVICE (YES)

We offer nationwide emergency service focused on keeping your cargo on the move—24/7/365.

### YOKOHAMA IS A SMARTWAY TRANSPORT PARTNER

Working with the SmartWay program, we're committed to accelerating the availability, adoption, and market penetration of advanced, fuel efficient technologies and operational practices—saving you fuel, lowering costs, and reducing adverse impact on the environment.
