

PROVEN REGIONAL PERFORMANCE

As your territory expands, you need a regional all-position/steer tire that will give your fleet a competitive edge. After millions of test miles, the 108R™ has proven to be a top performer in its class. Whether your fleet is involved in extended regional-haul or urban high-scrub applications, the deep tread depth of the 108R will consistently deliver more miles between replacement and more profit to your bottom line.

DESIGNED FOR LONGER SERVICE

Deep Original Tread Depth

At 22/32^{nds}, the 108R was engineered to give you more miles before removal.

Five-Rib Tread Design

Designed for a longer, more stable service life while enhancing water dispersion and overall traction on the road.

Advanced Compound and Angular Rib Profile

Advanced compounding and an angled rib design combine to slow the overall wear rate for longer original tread life.

ENGINEERED EFFICIENCY

Specially Designed Shoulder

Optimum shape to reduce shoulder ripping and tearing in abrasive applications, effectively lowering your cost per mile.

DURABLE CONSTRUCTION

Premium Casing

Made to be our most resilient ever, including a 16-ply rating offering increased load capacity so you can carry more freight on every trip.

Sidewall Abrasion Guard

Reduces damage to the sidewall caused by accidental curbing and scrubbing in urban applications.

Rock Shield Platforms

Reduce stone and debris penetration for improved casing life, durability and retreadability.

SmartWay® Verified

Our 108R is one of many Yokohama tires designed to meet SmartWay's stringent low rolling resistance criteria.

**6
YEAR****UNLIMITED
RETRADES**

CASING WARRANTY

Backed by a 6-year unlimited retread casing warranty.
